

THE BIG SING

If you can't sing good, sing loud

The Big Sing is an established, values-driven business led by a small team of partners. We provide a unique combination of entertainment and team-building services in the form of group singing events. Band leaders Jack Bennet and George Woodhouse will energize your audience, teach harmonies to a well-known song, and capture the finished product in a professional video. Accessible for anyone who can raise their voice, The Big Sing is a fun, innovative, and memorable addition to any retreat, conference, or festival.

Notable Milestones

- The Big Sing has performed at the Halifax Pride Festival, Neptune Theatre, Full Circle Festival, and with Canadian pop-icon Leslie Feist,
- We have been hired across Nova Scotia and even as far as Quebec City for corporate events with organizations such as Dalhousie University and National PR,
- Our videos have been seen over 100,000 times,
- And we have engaged thousands of people together in song!

Who is this event for?

We run Big Sings for community, school, and corporate environments. With experience working with group sizes ranging from fifty to thousands, our services can fit in practically any setting.

What do I get?

Our events focus on positivity and community-building as their primary pillars. Beyond having fun, encouraging openness and connecting with others, the songs we cover often have added emotional meaning. Perfect for team-building, our facilitators will guide The Big Sing to match the vision you have. At the end, you get to take away a professional video of the experience.

How much will it cost?

We offer a range of services that can accommodate most budgets. Typically, our events cost between \$15-\$25 per person, but flexibility is a key component of our work. Contact us for more details and to receive a comprehensive service estimate.
